### POLICY ON WATER CONSERVATION

### **Policy Objectives:**

- To conserve water resources at the campus and preserve ground water recharge.
- To optimize the use of water in the campus.
- To adopt methods for water recycling and rainwater harvesting
- To create awareness about water conservation among staff and students

### The Institution has sought to implement water conservation measures at the campus

- Implementation of rain water harvesting methods such as harvesting pits
- Awareness programs on water conservation at the campus.
- Environmental practices for water conservation.

### Water Conservation Facilities in the Institution
